

Tried to amend my carnivorous habit
Made it nearly 70 days
Losing weight without speed, eating sunflower
seeds
Drinking lots of carrot juice and soaking up rays
But at night I'd have these wonderful dreams
Some kind of sensuous treat
Not zucchini fettucini or bulgur wheat
But a big warm bun and a huge hunk of meat

Cheeseburger in paradise
Heaven on Earth with an onion slice
Not too particular, not too precise
I'm just a cheeseburger in paradise

Heard about the oldtime sailor men
They'd eat the same thing again and again
Warm beer and bread, they said could raise the
dead
Well, it reminds me of the menu at a Holiday Inn
But times have changed for sailors these days
When I'm in port, I get what I need
Not just havanas or bananas or daiquiris
But that American creation on which I feed

Cheeseburger in paradise
Medium-rare with mustard'd be nice
Heaven on Earth with an onion slice
I'm just a cheeseburger in paradise
I like mine with lettuce and tomato
Heinz 57 and french fried potatoes
Big kosher pickle and a cold draft beer
Well, good God almighty which way do I steer
For my

Cheeseburger in paradise
Making the best of every virtue and vice
Worth every damn bit of sacrifice
To get a cheeseburger in paradise
Get me a cheeseburger in paradise
I'm just a cheeseburger in paradise
I like mine with lettuce and tomato
Heinz 57 and french fried potatoes
Big kosher pickle and a cold draft beer
Well, good God almighty which way do I steer?

We left the boat and continued our progress
Headed down to W.E.
Sneakin low down the beach, moving slow
speeds
We see a bunch of birds waitin on a stone dear
Now Rinnor, he has a past with these things
Hes sees them as a sort of a threat
Not a fancy little birdy, or parakeet
But a big ol' monster with a huge ass beak!

Long Rest and it's so nice (so nice)
Heaven on earth without the strife
Were gonna sleep all night, bet your life
Just a, long rest and it so nice

Heard a sound coming out of the bushes
Went to check it against advice from my pals
A yell-ing badger, crying out hoping they could
be dead
Well, I killed him with my mockery trick
But he was a decoy like the bear cub we found
I'm in its jaws, oh help, I'm in need
Now we kill it and we chop it and filet these
It's an acquired taste, but we need to feed!

Long rest and its so nice (so nice)
We'll finally sleep and shut our eyes
Heaven on earth without the strife
Long Rest felt so nice (so nice)
We found some bowls on a dec-olated tree
Undercommon, sylvan are staring back at me
Words for peace with sigals, and monster marks
here
Well Blibdoolpoolp almighty,, I'm feeling the fear!

Dryad on barely dry land (wet land)
Needing our help, to find a place to stand
Moving her back, out towards the sand
And its a trap set before the land (the laaand)
Kua-toa are attacking our man
We fight em and Puck mocks their glands
We killed most and drove em to the water
Murdered their friends and let out the Dryad
We won the battle and scared them stiff
Well Emmantiensien Almighty can we sleep right
here?!
